## COVER STORY

We are often too modest about the beauties of Winnipeg and Manitoba. Our cover pictures show a few highlights and each of us has additional favourites. Let's boost our scenic and other attractions. Many people sincerely and rightly envy us.

## I Want to Know...

**What do we mean when we speak of "Tourists?"**

The Oxford dictionary definition is "one who travels from place to place for pleasure or culture." In Eaton's we mean all our visitors, whether they come from our good neighbour, the U.S.A., from other provinces and other countries, or from Morden, Minnedosa, Melita, etc.

**Is it permissible for salespeople to answer tourists questions?**

Certainly, if they have accurate information. It would be helpful and pleasant if all who come in contact with our visitors would inform themselves as fully as possible and be able to provide answers confidently and promptly. One should never guess. Obtain accurate information or politely refer the questioner to the right source.

**Where can I obtain information about U.S. Customs Regulations?**

This information is obtainable from the Shopping Card Pay-In Office on the Second Floor. All salespeople have been provided with a salesbook insert which gives this information in detail. It should be memorized—just four or five uncomplicated facts.

**When visitors want information about hotels, trains, restaurants, etc., where is this obtained?**

The Information Bureau on the Second Floor has this information and will give the visitors booklets, maps, etc., on request.

Your questions will be welcomed. Send to Contacts, signed and giving department number so that we may communicate with you if necessary.

# MR. BIRRELL E. MERCER RETIRES

Mr. John David Eaton, President of Eaton's of Canada, announced on May 30 that it was with regret the Board had accepted the request for retirement due to ill health, of Mr. Birrell E. Mercer, a Director of the Company and head of the General Merchandise Office. The retirement becomes effective immediately.

Mr. Mercer joined Eaton's in 1935 after nearly 13 years as an executive with a Toronto carpet manufacturing firm. He became supervisor of the Rug and Floor Covering Department at the College Street Store in 1942, and in 1947 was made Principal Buyer of Floor Coverings for the whole of Canada. In this capacity Mr. Mercer travelled extensively throughout the world, and was the first Eaton buyer to visit India.

In 1949 he was appointed Merchandise Manager of the College Street Store where he had begun his career 14 years earlier. The appointment to his present position came in 1953.

As head of the General Merchandise Office, Mr. Mercer directed and guided all local and foreign buying offices responsible for the procurement of every type of merchandise sold at Eaton's. He also held directorships in several T. Eaton Company affiliates.

Mr. Mercer, a native of Toronto was in his younger days prominent in a wide variety of school sports, and later was a member of a number of local teams including St. Aiden's, a forerunner of the Balmy Beach Football Club. He competed on many Y.M.C.A. swimming teams and was awarded the gold medallion of the Royal Lifesaving Society.

Mr. Mercer's many friends in Winnipeg extend best wishes for his renewed health.

## MR. A. Y. EATON Appointment

Mr. A. Y. Eaton of Toronto has been appointed Manager in charge of the General Merchandise Office, and is responsible for the Company's Buying Offices and the Toronto and Guelph Factories.

# HONOURED ON THEIR RETIREMENT

## MISS BESSIE WINDLING

Thursday, June 1 was retirement day for Miss Bessie Windling of Catalogue Correspondence. She had started in the To-Follow Department in 1918 and 11 years later transferred to her present department.

Miss Windling was born in Oswego, New York, started school in St. Louis, Missouri, and then came to Canada with her family, living first at Grandview and later in Norwood and St. Vital. She has many hobbies, sewing, bridge, coin and stamp collecting, photography and reading, and at present plans to continue to live in Winnipeg.

On Thursday morning her desk was a bower of lilacs and her department presented her with a string of cultured pearls. During the day her friends came to wish her well and she received many personal gifts. A group of the women who had worked with her through the years held a dinner in her honour at the Town 'N' Country Restaurant on the eve of her retirement and gave her earrings to match her pearls. On Wednesday, April 19 her department had honoured her at a dinner at the Riviera and given her a hand bag as a memento of this occasion. All who were associated with Miss Windling join in wishing her many happy, healthy years of retirement.

## MR. JOHN DAVID BUHR

When Mr. John David Buhr of the Paint Shop retired on Thursday, June 1, he had worked 18 years for that department. He was born, educated and married in the Ukraine, attending the University of Kiev and serving as a lieutenant in the Russian army during World War I.

Mr. Buhr came to Canada in 1925 and his four daughters and three sons were born here. Though he was unable to finish his own university career he is justly proud of the fine achievement of his sons. John is a mathematician and physicist for electronic computers, working in the U.S.A.; David is art director in the Technical Institute in Vancouver, and Peter is a missionary in Thailand. Mr. Buhr has always read their science texts—for his own pleasure. He is also a movie photographer and hopes to travel and take pictures in far-away places presently. He has already moved to New Westminster where he has built a home on the banks of the Fraser near the Patullo bridge.

On his retirement day his department and those who worked with him joined in making him a gift of two handsome pieces of luggage. We wish Mr. Buhr all happiness and good health in many years of satisfying activity.

## MR. WILLIAM GORDON

On Thursday, June 1, Mr. William Gordon retired from the Catalogue Packing where he has worked for 37 years. He was born in Drogheda, County Louth, Ireland, and attended school in Belfast, coming to Winnipeg in 1924. Mr. Gordon is married and has one son and two grandsons. He is fond of gardening and carpentry and plans to stay on in Winnipeg.

His department presented him with a garden lounge and chairs and he received many personal gifts on his retirement day. We all join Mr. Gordon's many friends in wishing him the best of good health through many happy years ahead.

## MR. WILFRED NORMAN HUGHES

Mr. Wilfred Norman Hughes retired from the Catalogue Paint and Glass Department on Thursday, June 1 with a record of 22 years in that department and ten previous years in various other Catalogue departments. He was born in Birmingham, England, and attended school there, coming to Winnipeg in 1920. He had served four and a half years in the Imperial Army during World War I.

Mr. Hughes is a widower. He is fond of gardening and household carpentry and his plans for the future are indefinite at present. His department decorated his desk with flowers on his retirement day and made a presentation of a watch. His friends called to offer good wishes and he received many personal gifts.

Good luck and good health to you, Mr. Hughes, through years of happy retirement.

## 25 YEARS WITH EATON'S

### MISS MARGARET THORBURN

Thursday, June 8 marked the 25th anniversary of her employment with the Company for Miss Margaret Thorburn of the Fancy Food Department. She worked for her first four years with the Grocery Order Board and then transferred to her present department. Miss Thorburn was born and attended school in Winnipeg. She is an expert at needlepoint and petit point.

On her anniversary day she received a gift of a diamond ring from the Company. Her department entertained in her honour at a party at the home of Mr. Kasper in Charleswood on Saturday, June 3 and gave her items of china to add to her set. On Thursday morning they decorated her desk and made a further presentation of china. During the day her friends and associates called to wish her well and she received many personal gifts. Congratulations and all good wishes, Margaret.

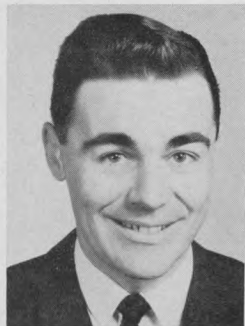

### MR. ALLAN LEROY CURTIS

Mr. Allen Curtis, Department Manager, Contract Sales Department, celebrated his 25th anniversary with the Company on Friday, May 26. His entire service has been with the affiliated departments, Contract Accounts, Interior Decorating and his present department. Mr. Curtis was born in Morrin, Alberta, and attended school in Dauphin, Manitoba, and in Winnipeg, taking his B.A. degree at United College. He served in Europe for four years during World War II with the 2nd Medium Regiment, R.C.A.

Mr. Curtis is married and has one daughter and two sons. He likes to fish, golf and garden and may spend his long vacation indulging in these. His gift from the Company was a watch.

On Thursday, May 25 his department honoured him at a dinner and dance at the Marlborough Hotel, attended by his staff members and their friends and representatives of Contract Sales Departments in the Western Branches. He received a gift of a flight bag on this occasion. On the morning of his anniversary day his desk was decorated and a presentation of a clock radio was made. His many friends called during the day to offer congratulations. We all join in this and wish him many happy years with us.

### EATON MEN'S BRIDGE CLUB

Geoff Ross

Shown is the championship team for this season in the Eaton Men's Bridge Club: Geoff Ross, 28, and Ron Duval, 237. The runners-up were Bill Rodway, 156, and Al Paterson, 270. This club plays during the winter season and had 32 members this year.

To complete the season a wind-up evening was held at Moore's Restaurant on Monday, May 8 with Clint Macfarlane, 246, running the duplicate playing. Later in the evening Mr. B. C. Sutherland, Personnel Manager, presented the awards and refreshments were served.

Plans are being made to expand the club in the coming winter. Play will be mainly duplicate bridge and two meetings will be held each month in the Eaton Curling Rink lounge, Mayfair Avenue. All interested men are asked to make inquiries from Barry McCallum, 104, or Dick Howard, Sales and Expense. Watch for further announcements.

## SAFE DRIVING DINNER

Eaton's in Winnipeg employs 178 drivers. They average 5,218 miles of driving per day taken together. 1,362,000 miles was the total driven last year. There were no major accidents and only one minor accident in each 68,100 miles. This is the record that was celebrated at the annual dinner honouring our drivers held at the Marlborough Hotel on Thursday, May 18, climaxing the Safe Driving and Road Courtesy Campaign. Mr. A. Arnason of Delivery Services presided at a head table of distinguished guests. Dinner and a program of music and complimentary speeches was followed by the presentation of awards by Mr. H. R. Screaton, Superintendent. The highlight of this presentation was the awards to six drivers who this year completed ten accident-free years. They were:

J. Watson, delivering in the West Kildonan area  
J. Bell, delivering furniture all over the city  
R. Fonseth, delivering furniture all over the city  
J. Hughes, refrigerator service all over the city  
K. Horn, driving around the centre of the city  
Ivan Carver, delivering in Brandon

They received the ten-year safe driving buttons and monogrammed wallets in addition to their money awards.

Every driver with an accident-free record for the past year received a cash award.

A final item on the program was a vote of thanks to "the three gentlemen from the Garage, without whose care for our trucks none of these awards would be possible." (Loud applause.)

All Eatonians offer congratulations to our drivers, the group that represents us so efficiently and courteously through rain and snow, heat and cold, and whose members provide service beyond the call of duty on all occasions. Three cheers for these gallant gentlemen!

## A CUSTOMER COMMENDS . . .

. . . Mr. Peter Stuart and Mr. Edward Skowronek, Delivery Department.

Mrs. J. Bower of Elmwood, writes: "Just a word of commendation for the two young men who delivered a davenport, a chest of drawers and a table on Saturday. They were cheerful, helpful and courteous in every way. I appreciated their assistance, given so willingly. The T. Eaton Co. is fortunate in having such young men on their vans."

Standing, from left: Mr. J. Bruce, Miss Florence Rogers, Mr. H. Brock-Smith.

## EATON EMPLOYEES' CHARITABLE FUND SPECIAL CAMPAIGN 1961

The Special Campaign, which is now completed, started off at a dinner on Wednesday, April 19 in the Grill Dining-Room. The department representatives of the Employees' Charitable Fund were the guests of the Company on this occasion and were addressed by Mr. H. Brock-Smith, chairman of the Manitoba Branch of the Canadian Cancer Society, and by Mr. John Bruce, chairman of the Campaign Committee. Miss Florence Rogers, President of the Fund, was the able chairman of the meeting.

The need for increased contributions was presented to our representatives who, in turn, canvassed our staff during the succeeding days with the commendable results shown below:

Number of new subscribers..... 402

Number of increased subscriptions..... 736

Total weekly increase..... \$208.85

Increases from new subscribers and increased subscriptions:  
\$208.85 per week or \$835.40 per month or \$10,860.20 per year.

Again Eatonians have lived up to expectations. We are proud of the worthwhile work our Charitable Fund does and we show our pride in a tangible way.

## What Kind of Suggestions Do The Award Winners Make?

This is an oft-repeated question and here are some recent winners (not by those listed above.)

"I suggest that a couple of pay phones be installed on the wall outside the Coffee Shop, Third Floor, Catalogue Building. It would save the employees' time and be a great convenience for those using this Coffee Shop."

"I suggest that we have Vancouver Order Office address labels printed 'Vancouver, B.C., 1080 Mainland Street.' "

"I suggest that fliers be delivered to all Employees' Lounges on the day they are distributed throughout the city. Employees would then plan to take advantage of the prices offered."

"I suggest that a diagram (see enclosed) be packaged with each set of brackets and headboard for a continental bed. The installing of brackets seems to be a problem to a large number of our customers and we have many complaints which could easily be avoided by providing clear instructions."

MISS MARJORIE McRAE of the Men's Ties, Main Floor, was honoured at the Founder's Day dinner of Beta Sigma Phi, held at the Royal Alexandra Hotel on Wednesday, April 26. She was one of four who received the Order of the Rose, the highest degree of the Sorority which is given in recognition of a member's record of outstanding contributions to the group. Marj is one of the founding members of this sorority in Winnipeg and has been active in it since its beginning here 23 years ago. Congratulations, Marj!

MRS. LORNA MACZEWSKI, one of our artists in the City Advertising, has had the distinction of being one of only six women whose paintings were accepted in the Ottawa Jury Show in the National Gallery at Ottawa. Her painting, White Goose, was chosen to hang with some 95 others in the Gallery. Mrs. Maczewski, who signs her work with her maiden name, Wonsowich, is a graduate of the University of Manitoba School of Art and has had other work accepted at shows in Minneapolis and in the east. Congratulations, Mrs. Maczewski, we're proud of you!

**ATTENTION ALL KELVINITES!** Do you know that Kelvin, your favourite high school, is celebrating its 50th anniversary in 1962. Please drop a note to the school giving your present name and address (maiden name also, if married), years of attendance, and the name and address of any of your schoolmates who now live out of town. The school will then mail you notices of the forthcoming celebration.

Ken Whitney, China Department, was the first-time winner of a new golf trophy donated by Mr. K. A. Smith, Assistant Superintendent, for yearly competition at the Assistants' Association Field Day.

This event is the wind-up each year of the Association's activities and was held on May 16 at Assiniboine Golf Club. A record was set for attendance and enjoyment on this occasion and members are already looking forward to the next one.

## ANGLING CLUB

A very successful expedition to Shoal Lake on Monday, May 22 is reported. Over 150 men, women and children made a gala day of it both at the lake and on the train. Congratulations are in order to those who organized the trip.

## WOMEN'S GOLF

A report from Ina Caners, Publicity Chairman, says in part:

"Our Get-Acquainted Day at the end of May proved to be a successful event. Approximately 40 girls turned out, wielding their clubs in happy abandon. In spite of the wind and rather cool temperature, the girls thoroughly enjoyed themselves, many playing the full 18 holes. Some very good scores were turned in.

"Novelty prizes were won by some of the lucky ones. Members should put a circle around June 21—an important date—the Pro Day at Assiniboine Golf Club. Remember last year!"

## TENNIS CLUB

The Tennis Club is now operating and seeking more members. The fee is just \$3.00 and members play every night and all day (if they are not at work) except on Sunday. St. Stephen's-Broadway courts have been put in good condition for the exclusive use of our players.

Opening night was Thursday, June 1 and lessons are being given on a few evenings by Mrs. Gannon, Y.W.C.A. coach. Phone **Mrs. Ina Lawson, Department 28** for further information.

## BASEBALL

The Girls' Baseball Club had its opening on Monday, June 5 at Sargent Park. This promises to be a good season for ball, both to play and to watch. They play on Mondays and Wednesdays. The Men's Baseball Group plays on a neighbouring diamond on the same nights. Where is the cheering section?

## MEN'S GOLF

The Men's Golf Field Days will be completed by the end of June—see July Contacts for the results. The Ladder Competition is coming on very well and the Knockout Competition has reached the end of the first round. Congratulations to the Executive! They have everything well in hand.

## FIVE-PIN BOWLING AWARDED AT

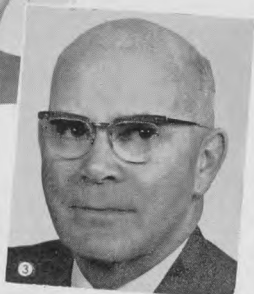

Three of our five-pin bowling groups held wind-up dinners recently to complete their 1960-61 bowling season and present awards. Each of these parties was beautifully arranged and excitement and gaiety prevailed. Those who were present will recall the happy evening when they look over these pictures and statistics, and other readers will probably decide now to join one of the bowling groups next season for a winter of fun and good exercise.

The Mixed Five-Pin Group has 200 members. They bowled on Tuesdays at 7:00 and 9:00 o'clock at the Bowladrome.

Their dinner was held at the Royal Alexandra Hotel on Saturday, April 29, followed by an evening of dancing. This page and page 14 give details of the awards and a faint idea of the good time enjoyed.

The Combines League, 40 members playing on Thursdays at 5:30 at the Bowladrome, completed their season at a dinner at the Marion Hotel on Saturday, May 6. Pictures 6 to 9 give an indication of the highlights of that event.

**Departments 212-512—By I. Robertson**

Glad to hear that Bernice Bannerman and Mary Willson are coming along so well after recent illnesses. Rita Haroldson is still away—hope not for long.

Our boys in Department 512 and Jack Swanson, Department 212, started out on what proved to be a very eventful fishing trip on the last long week-end. First of all, instead of the two boats spoken for, only one was available; then they were stuck with the car. On starting out fishing, the boat motor wouldn't run, then they hit two rocks. Someone tried to break into the car. Dick Murray forgot to shave—and we think we have troubles! The one bright note of this excursion—Jack Swanson caught a fish after four years trying.

Contacts, June, 1961

We are very happy to welcome Alma Bulman as a new recruit in 212-512 office. Hope you enjoy being with us, Alma.

In the evening at the Chateau Room of the Empire Hotel, a smorgasbord and dance was held at which Mr. and Mrs. Sculthorp were guests of honour. There were about 75 members of the staff and friends present. The tables were brightened by the placing of spring flowers. The orchestra was led by Don Aikens, a member of 130 Department.

#### Furniture Department—By S. McGavin

A bevy of beautiful brides and brides-to-be have added to the joys of the traditional June scene as wedding bells rang for Miss Evelyn Toews and Ben Rempel on May 20 at Grant Memorial Church; Mrs. Alfreda Kohnen and Alvin Gateson on June 3 at St. Stephen's Anglican Church. Miss Diane Johnson will exchange vows with Leonard Sorensen on June 24 at St. Stephen-Broadway Church, while Miss Alice Backland and Denis Tremblay will be wed July 8 at the Belgium Sacred Heart Church.

We all felt a deep personal loss with the passing on of A. E. (Ted) Bruce last month. Ted was not only a fellow worker but a close friend of every member of the staff.

Good luck wishes went with Bill Chowen as he left the Furniture Department to take a new sales position.

We expect to have Charlie Morrison return to us soon and all hope that he has a complete recovery from his recent ill health.

New members of our staff are Brian Mills from Department 192 and Tony Benoit from Department 193, while our summer furniture is adorned by the temporary presence of Misses June Ryk, Sylvia Bourbonniere and Barbara Teskey.

Some of our fearless fishermen have beaten the waters of the White Shell district for the last couple of week-ends, but we have yet to enjoy any pickerel or trout filets. We still hope that Mike Kubara, Lloyd Jones or Tom Davidson will show up with a sample of their skill and patience.

Mr. James Carson, or Jimmy as he is best known to his friends and associates, has spent most of his 35 years with the Sporting and Auto Accessories Departments with the exception of a short period with the Army and 199 Department. ## SCHOLARSHIP WINNERS 1961 — EATON'S GOOD DEED CLUB

Their motto is "Do a Good Deed Every Day," so we call this our Good Deed Club, and the record of the good deeds performed by its members grows longer each year. The boys and girls of Manitoba up to 16 years become members simply by writing a letter of application. This year we have over 10,000 members and have completed the 21st season of the club's history in Winnipeg.

To maintain contact among the members and stimulate the growth of the club, a weekly broadcast is made over CBW radio station on Saturday morning at 10:30 for 26 weeks—the winter season. The talent for this broadcast is provided by the club members in solo and group performances, and very real talent it has always been. To encourage and assist these future artists, ten scholarships are given each year. Competitions are held during Easter week and competent adjudicators select the ten best—a difficult decision it must be. Here is the story for this year:

Mary Ann Taylor, 16 years old, attends St. James Collegiate, Senior Violin Scholarship.  
 Ross Houston, 16 years old, attends Nelson McIntyre Collegiate, Senior Piano Scholarship.  
 Barbara Dumas, 13 years old, attends Isaac Newton Junior High School, No. 1, Senior Vocal Scholarship.  
 Barry Mitchell, 14 years old, attends Harrison High School, Brandon, Senior Accordion Scholarship.  
 Mario Cianflone, 12 years old, attends Nordale School, Junior Accordion Scholarship.  
 Tania Pratchen, 12 years old, attends Smith Jackson School, Dauphin, Junior Vocal Scholarship.  
 Ron Wallace, 12 years old, attends Edmond Partridge School, Junior Violin Scholarship.  
 Randy Benson, 9 years old, attends Sir John Franklin School, Recitation Scholarship.  
 Marion Houston, 10 years old, attends Nordale School, Junior Piano Scholarship.  
 Garry Gillet, 12 years old, attends Gordon Bell School, General Scholarship.

Congratulations, boys and girls, from all who work at Eaton's.

Mr. Paul Camenzuli of the Beauty Salon demonstrated hair care and styling and gave excellent advice both in his demonstration and in the question period following it.

Mrs. Jean Frame, of the Drug Department (Elizabeth Arden Cosmetics), gave advice on the proper use of make-up at business and illustrated her points by applying the correct cosmetics to create an attractive effect on her model.

Mrs. Pratt discussed the facts of fashion as they apply to the attractive appearance of women in business. She illustrated, by means of posters, the underlying rules of becoming dress and suiting the dress to the figure.

Summing up the program, Mrs. Pratt gave the following guides to good grooming:

Periodically—Evaluate current wardrobe  
Check on present measurements  
Consider colour requirements  
Check repairs—cleaning

Every Morning—Is make-up fresh, becoming?  
Is hair shining, clean?  
Are hands smooth, manicure good?  
Is lingerie immaculate?  
Is posture good, figure neat?  
Is hem even and length becoming?  
Are stockings smooth, seams straight?  
Are shoes clean?

**OUR MOTTO:** BUSINESS APPEARANCE IS CONSERVATIVE AND  
NATURAL, YET FASHION WISE.

# WELCOME VISITORS

## to MANITOBA to WINNIPEG and to EATON'S OF CANADA

Citizens of our city and province are noted for their courtesy to visitors. We know that every visitor makes Eaton's his headquarters for shopping, his centre for meeting friends, his favourite daytime eating place.

Eaton staff who meet these visitors face to face impress them with the friendly, intelligent enthusiasm they show, enthusiasm for the merchandise we sell, the store we serve in, and most of all, for the privilege of meeting these interesting holidayers. Our staff who do not actually meet our visitors, know that their contribution to our service completes the picture they carry home with them of a great store in a beautiful city.

**LET'S ALL CO-OPERATE  
BE FRIENDLY  
BE HELPFUL  
BE WELL-INFORMED**
